You may not:

- Redistribute the illustrations in any way, including versions derived from them

You may:

- Use the illustrations in any number of personal and commercial projects, regardless of the number of users
- Use the illustrations to create branding and advertising designs
- Use the illustrations to design physical and virtual products
- Use the illustrations in live and recorded videos
- Use the illustrations by embedding them in websites or apps

In short:

- The illustrations should not be used as if they were your products, but as tools to create and define your products
